

CASTOR SETS

Fit castors to your equipment - improve manoeuvrability

- accessories for many products made by BAUER (please refer to the individual product pages)
- 4 piece set comprising 2 fixed and 2 swivel castors, 1 swivel castor with a brake
- various materials and load capacities available; suited to various locations and requirements
- important notice: when castors are fitted, they determine the load capacity. In some cases this will effectively reduce the load capacity of the product.

Types available
